of Behemoth ... We shared the love of a lifetime. Too bad I don't remember any of it. Pieces of my life were ripped away without warning. My career, my control, my sense of self...it's gone. So are my memories of him. I now know him as the handsome doctor who was there for me when I first woke up after the accident. But before that, he was the love of my life. My everything. Or so I'm told. I'm not the woman he remembers. I'm just a ghost with her face. An unfortunate remnant of the happily ever after, fairy tale kind of romance we apparently had together. He says he'll wait for me. That he won't stop fighting for us, even if he has to make me fall in love with him all over again. I think he's right. I will fall for him. But the real question is, can he truly ever love me for who I am now? Or will his heart always belong to the memory of who I used to be? Dr. Brooks, an angsty, sexy, contemporary romance, is book 3 in the Billionaire's Club series, but it can be read as a standalone. It features a strong heroine struggling with amnesia, and the protective alpha male doctor who somehow manages to win her heart twice. Download today to meet your new favorite book boyfriend. The billionaire always gets what he wants. This time, he wants me... My trip to London was the first lucky break I've had in years. It came at just the right time, allowing me to escape my sad reality for a bit. And the guy I met on the flight? Perfection. The short week we spent together was filled with raw, unbridled, and passionate nights. But it couldn't last. I'm a single mom with a troubled past and a shady ex. Romance just isn't in the cards for me. Which is why I walked away from Jim and didn't look back. That was before I landed my new job. Before I met the boss. Before I discovered that Mr. James Mitchell, CEO, was my Jim-my unforgettable Jim from our week together in England. Judging by the smile on his face when he sees me, he remembers everything. And now he wants more. He wants me. The timing is terrible. My life's a mess, and I just know my ex will do something to ruin me. Again. But none of that matters when I'm in Jim's arms. So, what are the odds

that I'm finally due for my very own happily ever after? With my luck? Not bloody likely. Mr. Mitchell, a sexy contemporary romance, is book 2 in the Billionaires' Club series, but can be read as a standalone. Now Prem's largest community center donor is backing out because Prem's reputation as a heart-health expert is at risk. To get back in his donor's good graces, he needs to fix his image fast, and dating Kareena is his only option. Even though they have warring interests, the more time Prem spends with Kareena, the more he thinks she's might actually be the woman he wants to spend the rest of his life with.
