Why won't God reveal his special will for my life already? Because he doesn't intend to... So says Kevin DeYoung in this punchy book about making decisions the godly way. Many of us are listening for the still small voice to tell us what's next instead of listening to the clear voice in Scripture telling us what's now. God does have a will for your life, but it is the same as everyone else's: Seek first the kingdom of God. And quit

floundering. With pastoral wisdom and tasteful wit, DeYoung debunks unbiblical ways of understanding God's will and constructs a simple but biblical alternative: live like Christ. He exposes the frustrations of our waiting games and unfolds the freedom of finding God's will in Scripture and then simply doing it. This book is a call to put down our Magic 8-Balls and pick up God's Word. It's a call to get wisdom, follow Christ, be holy, and live freely. To just do something. How can we discover God's will for the complicated decisions of time, money, relationships, education and career? How do we know which is best among a variety of "good" options? In this updated and substantially expanded edition, M. Blaine Smith shows how God unfolds his plan for our lives -- through the Bible, prayer, reason, abilities, circumstances, desire and the counsel of others. Does God have a perfect will for each Christian? Can you be absolutely certain of God's specific will for your life? In this expanded twenty-fifth anniversary edition of his highly acclaimed work, Garry Friesen examines the prevalent view on God's will today and provides a sound biblical alternative to the traditional teaching of how God guides us. This new edition includes these helpful resources: • Study guide for small groups • Responses to Frequently Asked Questions • Guide to painless Scripture memorization Friesen tackles the very practical issues of choosing a mate, picking a career, and giving in this fresh and liberating approach to decision making and the will of God. Story Behind the Book Most Christians have been taught how to find God's will, yet many are still unsure whether they've found it. God does guide His people, but the question is, "How does He guide?" After "putting out a fleece" to decide which college to attend, Garry Friesen began pondering why it was so hard to find God's will when he had so sincerely sought it. Was he the only one who did not have 100 percent clarity for

every decision? Then a new possibility struck—perhaps his understanding of the nature of God’s will was biblically deficient. Maybe there was a better way to understand HOW God guides. 2016 Christian Book Award finalist (Nonfiction category) Very rarely in the Bible does God command someone to “Stay.” He opens a door, and then he invites us to walk through it—into the unknown. And how we choose to respond will ultimately determine the life we will lead and the person we will become. In fact, to fail to embrace the open door is to miss the work God has made for us to do. In *All the Places to Go . . . How Will You Know?*, bestselling author John Ortberg opens our eyes to the countless doors God places before us every day, teaches us how to recognize them, and gives us the encouragement to step out in faith and embrace all of the extraordinary opportunities that await. So go ahead—walk through that door. You just might do something that lasts for eternity. For half a century, J. I. Now featured in the IVP Signature Collection, this thought-provoking work seeks to renew and enrich our understanding of God, bringing together knowing about God and knowing God through a close relationship with Jesus Christ. Pritchard offers those who find themselves at a crossroads practical lessons on making God-led decisions. Only by learning to trust God completely are we prepared to surrender control and live according to His plans. Seeking God's guidance is a focus for many believers. We want to know what God has planned for our lives. Are we making the right decision? Are we in his will? For some people, knowing God is guiding their lives makes them relax and enjoy the ride. With solid biblical footing, they shed light on the notion of God's guidance in response to the many misunderstandings well-meaning Christians can have. Readers seeking God's

will in major life decisions, as well as anyone interested in understanding how God guides us, will welcome this practical and inspiring book. Knowing what God wants you to do, and learning to recognize His voice when He speaks to you, is the secret of living with a greater sense of direction, purpose, joy and confidence. This practical, step-by-step book answers some of the most commonly asked questions, and shows you how to know God's will for your life. Every Christian has struggled to grasp God's plan for their life. This practical, biblically-based guide will share how you can find God's will for every area of your life. What is the role of the will in believing the good news of the gospel? Why is there so much controversy over free will throughout church history? R. C. Sproul finds that Christians have often been influenced by pagan views of the human will that deny the effects of Adam's fall. In *Willing to Believe*, Sproul traces the free-will controversy from its formal beginning in the fifth century, with the writings of Augustine and Pelagius, to the present. Readers will gain understanding into the nuances separating the views of Protestants and Catholics, Calvinists and Arminians, and Reformed and Dispensationalists. This book, like Sproul's *Faith Alone*, is a major work on an essential evangelical tenet. "Christians instinctively want to live in a way that pleases God. In fact, Jesus said, "If you love me, you will keep my commandments" (Jn. 14:15). But sometimes it is unclear what "keeping God's commandments" implies when facing a specific decision. There are many times when it does not seem as if any specific teaching of Scripture can decide an issue for us. This book is intended to provide helpful guidelines whenever people wonder, "What is God's will for me in this specific situation?"-- "By following Grudem's counsel and being led by the Holy Spirit, Christians will be well equipped to discern and commit to God's will for their lives!" —Gregg R. Allison, Professor of Christian Theology, The Southern Baptist Theological Seminary; Pastor, Sojourn Community Church; author *Every Christian at one time or another has*

probably asked, What is God's will for me in this situation? In this accessible booklet, Wayne Grudem offers practical guidance on how to make biblically informed decisions through the guidance of the Holy Spirit in accordance with God's word. Topics Include: The role that circumstances and feelings should play in making decisions How Scripture informs daily choices What it means to be led by the Holy Spirit Have you ever wondered what you were created to do? You may think you have an idea, but aren't positive that you are fulfilling the purpose for which God created you. First of all, you have to find the unique purpose that He created you for. In his new book, Andrew Wommack teaches you how to do just that. Once you find the will of God for your life, then you will have the assurance and joy that comes from knowing exactly where God wants you to be. As you follow the will of God for your life, it allows you to set goals and purposely seek after what God has created you to do. Andrew teaches you that the number one way that we learn to follow God's will is to simply put God first. When you put Him first then the desire of your heart changes to match up with His. Lastly, Andrew teaches how to fulfill the will of God in your life. It's one thing to find God's will and start moving in the right direction, but it's something else to stay at it over the long haul. Anybody can start, but it's the people who finish that really make a difference. Finishing is more important than starting, and it is only through faith and patience that you inherit God's promises. A study of God's attributes and their relevance to daily living. "God's will" may seem mysterious, but the Bible lays out many clear guidelines for us. It is intended for new believers and others interested in knowing more. Christians should aim to lead lives that please God, regardless of their circumstances. But when facing major life decisions, we often wonder what God wants us to do. In this booklet, Dr. R.C. Sproul outlines timeless principles for discovering and applying God's will in our day-to-day decisions. He illustrates how these principles inform two significant decisions--the choice of a career and the choice of a spouse. The *Crucial Questions* booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers. A basic guide to discerning the will of God. "How do I know what God's will is for my life?" It is perhaps the most common question asked by Christians today. Dr. Bill Thrasher has provided a basic guide to the fundamentals of seeking God's will in *Living the Life God Has Planned*. Thrasher teaches readers that they must first seek to know God on a more intimate level before His will becomes more apparent to them. Readers of all maturity levels will appreciate the simplicity and practical nature of this product. The Christians I come in contact with almost unanimously want to know God's will for their lives. They often struggle, sometimes heart wrenchingly, to grab on to what God wants them to do. The questions of how to know God's will continually come up in Bible studies, in Sunday school, in pastor's messages to the congregation, and in various other ways. People seem to be continually searching for God's will, but not really finding it. So the question begs to be asked, why is it so hard to know God's will? Why is there such a struggle? In actuality God has made it easier for us than you probably realize. God has given us such

a golden opportunity to know him more personally than any other generation before Christ. God does not want us to struggle to know Him and His will. Find how to strengthen your relationship with God, understand what He says His will is, and find where God is leading. How can you really know God's will? Well, for starters, stop asking the wrong questions! The wrong questions are all dealing with self. Who will I marry, where will I go to school, what career will I have, what will I do? etc. Understanding God's Will is to find out who God really is, why we are important to Him, why the life of Jesus Christ really matters, finding out where God is working in your life and joining him. You do this through daily prayer, consistent Bible study, following Jesus's example of Godly living, looking for every opportunity to do Christian service, growing as a disciple, helping others to grow, and living to serve Him, not being served. It all started with a question. One simple question! At least that is what I thought. Any mature Christian should be able to answer one obvious question, right? Well, not so easy! I was a young Christian at the time. I had only accepted the Lord Jesus Christ a few short months before. I was being discipled by several well-meaning, Bible-believing, scripture-memorizing men of God. Now I wanted to know the burning question that Christians throughout the centuries have wanted to know. So I asked!
